TERMS

Deposit due at order	\$941,250
Balance due at commissioning	\$5,333,750
Delivery	18 to 22 weeks from order
Warranty	24 months, parts and labor

ENGINEERING NOTE

Design service life for this configuration is 12 years at the duty cycle described by the customer (single shift, seasonal operation, approximately 1,900 operating hours per year). Wear parts are consumable and excluded from that figure. The plant is skid mounted and relocatable between sites.
