

COMMERCIAL EQUIPMENT FINANCE APPLICATION

Received 2 October 2026 · File No. RFL-2610-022

APPLICANT

Legal name	Ridgeline Freight & Logistics Inc.
Entity type	Corporation (Missouri)
Year founded	2004
Principal business	For-hire truckload carrier. Dry van and temperature-controlled freight across the central United States.
Fleet	182 company-owned Class 8 tractors, 465 trailers, 24 owner-operators under lease
Other operations	A small freight brokerage desk arranges loads on third-party carriers when the fleet is at capacity. Brokerage was about 8% of FY 2025 revenue.
Operating authority	USDOT and MC numbers on file. Satisfactory safety rating.

REQUEST

Equipment	40 new Class 8 sleeper tractors (see dealer quote)
Structure	TRAC lease, five years, with a terminal rental adjustment clause
Down payment	10% of the quoted price at signing
Purpose	Replace 2019 and 2020 model-year tractors at the end of their trade cycle
Expected useful life	7 years in linehaul service

The tractors will run the company's core contracted lanes and are required to serve existing shipper commitments.

EXISTING OBLIGATIONS

Total funded debt, consisting of equipment notes on the current fleet and a revolving line of credit, is \$21,500,000. Annual debt service on that debt is \$5,900,000. Undrawn availability under the revolving line was \$4,500,000 at the application date.
